Number 3

## OFSTED

Dear Parents and Children

Ofsted Report – Inspection 23<sup>rd</sup> May 2017

The Official Ofsted report has now been sent to school for me to share with you and the Staff and Governors before it goes live on the Ofsted website in a few days. The copy you have is the same one the school receives and this will be available for the wider public to see soon.

As I hope you already realise, we are all immensely proud of our school. So when Ofsted visit, recognise and describe the school in the way they have, we feel that a fair judgement has been made. The inspector clearly understood how the school operates including how well we identify our own strengths and areas for development.

I am extremely grateful to parents that supported the school before, during and after the inspection. This happened in lots of ways either by giving us feedback (Governors questionnaires), by completing the online Ofsted “Parentview” survey or by personally approaching the inspector or by doing what you normally do – that is, getting your children to us happy, healthy and ready to learn.

So congratulations to us all. It’s a great confidence boost to enable us to move on to even more success through hard work, innovation and enjoyment of school life in the future.

M Bird

## **NEWS FROM THE SCHOOL GOVERNORS**

As Governors, we have decided to try and keep you more informed of what we are up to - without an overload of info.

Recently the Governors reviewed an extremely comprehensive report of an internal Health & Safety. We identified actions and maintenance issues from this. This process is usually conducted termly alongside comparing termly Accident data and looking for patterns and other triggers that could be addressed to reduce potential accidents in the future.

At present we are reviewing the School Development Plan for 2017 and will analyse the results (once they are measured) of pupil attainment and progress in preparation for 2017/2018. We have also been involved in staffing for next year.

Always a hectic term, the Governors would like to wish the Year 6's a lovely final half term at Kingsmoor.
