

Kingsmoor News

Summer Term

13th July 2017

Number 4

A jam packed penultimate edition with lots of important information.

SPORTS DAY

Friday 14th July – 1.30pm start.

Local farmers field available for parking, (Thanks Mr Crane) – access next to ‘little house’. Team colours have been circulated. A badge/head band/wrist band/article of clothing of the team colour is sufficient. A similar format to last year – lots of activities for all so be ready to follow your children around!

MARATHON MILES

Thank you for your generosity so far! (for those of you ‘stung’ by your child’s lap running abilities – our next sponsored event will not be £ per lap or goal but will offer the chance to make a donation!).

Apologies to those families awaiting sponsor forms – midday running for older classes during health week was suspended then lots of diversions got in the way. Hopefully the majority of the school have now participated and the forms can be used to collect pledged money. We will not be closing the door to any late donations – every pound will continue to be spent on library books.

LIBRARY PROJECT

Using the sponsor money and Kingsmoor Friends contributions and some ingenious interior designing (by our own team of experts!) the ‘cave’ will become the new school library for September. Invitations will be extended to all visiting readers next term.

END OF YEAR RESULTS, REPORTS & CLASSES

The staff and governors were pleased with the outcome of the Statutory Assessments that have been made this term. Well done to children, parents and staff for all your hard work over the year. Reports and letters about classes are all being sent home on Friday 14th July. Please contact the relevant member of staff next week if you wish to discuss the contents.

END OF YEAR EVENTS

- The school choir performed with professionalism at the Macmillan Theatre recently. Congratulations choristers and Miss Tucker.
- The key stage 2 classes staged a magnificent fun filled series of concerts for family and friends. The KIDS (Kingsmoor Impeccable Dramatic Stars) did us all proud.
- Sports teams challenged successfully for honours at local and county wide championships.
- Rounder's team qualified for County finals.
- Athletics – 2nd place at Interschool Sports at Westonzoyland with 4 out of 4 amazing relay wins!!
- Quad Kids – Year 3 & 4 multidiscipline Athletics Team came 8th in Somerset (Jake Gundry – Bronze medallist for individual points score in age group 3rd out of 75 competitors).
- Cycle Pursuits Teams – Girls Team 6th best in Somerset. Boys Team – County Champions!
- Kingsmoor Anglers – 15 year 3 pupils have been introduced to proper fishing skills this term with every child managing to catch several fish. In total we believe approximately 175 fish were caught by the group including some whoppers and we have the photographic evidence to prove it!

SCHOLAR BADGES

Sadly, some children are not able to wear a badge at this end of the year because so many have been 'lost' at home. Please search for any that may be hidden or have gone through the washing machine! We lose at least 25 badges per year at a cost to the school of £60.00!

SCHOOL PROPERTY AMNESTY

Could all items of school team kit - green or blue socks, shorts, tops etc be returned for next season. Likewise with library books or anything else borrowed from classes.

LEAVERS YEAR 6 ASSEMBLY - FRIDAY 21ST JULY AT 10:30

Parents and family members are welcome to join us in saying farewell to our Year 6 pupils. We'll also take the opportunity for a public good bye to their teacher Miss Brown and a school assistant Miss Nash.

THANK YOU

The school is successful in a variety of areas and much of our achievement is due to the people who help in unseen ways.

- Kingsmoor Friends help fund raise and raise FUN – their officers and regular helpers are a great team.
- The parents listening to readers know this is school priority – and it's paying off.
- Sports Teams need transport and supporters to succeed – same again next year please.
